

SERRALUNGA D'ALBA

BAROLO
DOCG
RISERVA

1 9 9 6

A Barolo of days gone by, long and well structured on the mouth.
A harvest delayed by an unusually cold spring and summer produced a wine with
explosive tannic structure and lasting crisp freshness.

Nebbiolo

Serralunga d'Alba

High content of limestone
and grey marl alternating
with sand

300-400 asl

Medium-high hillside
South/south-west

System: guyot
4.400-5.000 plants/ha

I-II ten-days
of October

14 % vol

17-18 °C

0,75 L

TECHNICAL NOTES

Vinification: the fermentation is traditional: medium-long (15 days) in stainless steel vats with a floating cap at a controlled temperature (30-31° C). The must then stays in contact with the skins for further 15 days to optimize the extraction of the polyphenolic substances and help start the subsequent malolactic fermentation.

Ageing: one year in barriques from Allier and two year in oak casks still from Allier (2000 lt). After a soft clarification, the wine is bottled for a further

period of maturation in the bottle, the length depends from the characteristics of the vintages, but never less than 24 months. **Shelf-life:** The wine will reach its peak 6-8 years after the harvest, but its life can vary considerably depending on the vintage.

TASTING NOTES

Unique vintage characterized by the late maturation of the grapes. The colour is garnet-red with orange hues. The nose has a bouquet of very mature fruit and strong balsamic notes of mint

and eucalyptus. The taste is dry, full-bodied, and very long lasting with a good balance between silky tannins and good acidity.

PAIRINGS

Ideal with big red meat dishes and medium or mature cheeses, it can also make for pleasant after-dinner company.
